**RE: Sharon L. Snyder, et al. v. Lasek**  
**Case No.: 0804 14010 2009**

Dear Mr. Lasek:

As you may be aware, undersigned counsel has represented Margaret Condon and Sharon Snyder in the above-referenced case against you. On November 13, 2009, judgment was awarded against you for \$4,717.67 judgment principal, plus \$1,000.75 pre-judgment interest, and \$20.00 costs, for a total of \$5,738.42.

Since that time, the judgment has accumulated \$3,136.47 interest through May 1, 2015. So you now owe Plaintiffs \$8,874.89 as of May 1, 2015, with \$1.57 interest accumulating daily.

Please make arrangements with undersigned counsel in the next ten (10) days to pay this debt, or else I have been authorized to take additional legal action which could prove ever more costly to you.

Very truly yours,

  
Gerard P. Uehlinger
